

Impersonation

JIRA

 [CFORD-323](#) - Allow SA to impersonate other users RESOLVED

AMP Reference: [CFDRMD-72](#) Allow SA to impersonate other users *Ready for Review*

Background: Impersonating is very useful to help troubleshoot for other users.

As formerly agreed to facilitate this feature and not share it with all SA's, we could add it to user n

User stories

| User Story | | AC | Comments |
|------------|---|---|----------|
| US-1 | As the Super User , I want to impersonate users , so I can help troubleshoot issues they face | <ul style="list-style-type: none">• SU can select a user to impersonate from the admin people overview• SU can click a link to impersonate this user | |

Business needs

| Business need | | AC | Comments |
|---------------|---|---|----------|
| BN-1 | As capacity4dev , we want to add impersonation function , to allow impersonation of users | <ul style="list-style-type: none">• Function only visible to SU (user n°1)• Add a link to impersonate on each user row on the admin people overview• During impersonation, any activity carried out by the SU is performed in the name of the user being impersonated• add functionality to impersonate (masquerade) | |
